## HOTEL ARRIVALS BY TRAIN.

Thursday.

Jasper—Wm. Stitt, Winnipeg; Wm. Walker, Clover Bar.

Queen's—A. H. Anthony, W. C. Fowler, Great Slave lake; C. F. Miles, D.L.S., Toronto; J. Dennis, D.L.S.; G. W. Cumming, wife and family, McKenzie river; Miss Taylor, Winnipeg.

## MARRIAGE.

TAYLOR—Ross—On Wednesday, 24th August, at Rossburn cottage, Saddle lake, by the Rev. C. A. Provenier, S. S. Taylor, Barrister, Edmonton, to Vesta, eldest daughter of John Ross, Indian Agent.

## LOCAL.

TRAIN on time.

THE Edmonton quarantine was lifted on the 25th.

J. DENNIS, D. L. S., came back by Thursday's train.

E. BROSSEAU of St. Albert left for Banff on Friday's train.

Mrs. Gauvreau and family left for the east by Friday's train.

Mrs. D. G. McQueen returned from the east by Thursday's train.

THE country out by Egg lake and Beaver lake is settling up very fast.

THE plan recently made of Capt. Dawson's work across the river has been sent to Van Horne.

M. MCKINNON is expected by Thursday's train with a car load of sheep for J. C. C. Bremner of Clover Bar.

P. PRUDEN left for Lac la Biche with two loads of freight and a fanning mill. He says crops are excellent.

M. CONNOR will commence building a new furniture store soon. The new building will be larger than his old one.

THE party from Edmonton, who went to S. S. Taylor's marriage, have returned after a delightful time and lots of shooting.

KELLY & REID have nearly finished their new stable. It is a very fine building with a thirty-seven foot well in it and thirteen feet of water.

W. A. PERRY, who came up with the baseball and cricket teams, was drowned recently below Kananaskis Falls. Mr. Perry has occupied the position of roadmaster on the C. P. R. for the last five years, between Gleichen and Canmore. He was very popular and had a large number of friends, both in Calgary and Edmonton, who regret to hear of his sad fate.

G. A. SIMPSON, an old resident, who arrived on Thursday night was met at the train by a number of friends who were delighted to see him. Mr. Simpson is inspector of the Manitoba Mortgage company and took this trip to report on our town, he is surprised to see the extent to which it has grown, and has decided to open a branch office here at once with Mr. Kirkpatrick acting as agent.

THE car of grain and grasses, collected by J. G. Fitzgerald for the C. P. R., and which was to have left on Friday, has been held over until Wednesday 31st August, owing to some insufficiency of exhibits having been secured. The date is a little too early to obtain as good samples of grain as might be secured at a later date, but as good a collection as could be obtained under existing circumstances has been collected. Some of the grasses from Cooking lake being particularly noticeable. The collection is intended for exhibition at all the eastern shows, but will probably be too late for the first one at Kingston, Ont.

THE marriage of S. S. Taylor took place at Saddle Lake at 9. a. m. last Wednesday. A very large number of people were present from Edmonton, Fort Saskatchewan and the surrounding country. The bridesmaids were Miss Hardisty and Miss Lotty Ross, sister of the bride. Dr. J. D. Harrison and Master Percy Hardisty acted as groomsmen. There were a very large number of most handsome presents and among the number a beautiful piano given by the bride's father. Most of the guests took their guns with them to enjoy a few days hunting and gave the newly married couple a royal salute. Miss and Master Hardisty returned with the bride and bridegroom on Thursday evening. But the other guests will not return for a few days, when they return we fully expect to see them loaded down with game.

J. B. BIBBEE, who was here in the spring looking round for land, returned from Washington a few days ago and has settled out by Egg lake.

## TOWN COUNCIL.

WEDNESDAY, August 24.

Present: Mayor McCauley, councillors Strang, Carey, Goodridge, Cameron and Daly.

Daly and Carey moved that Cameron take the chair. Carried.

Strang and Goodridge moved that this council now sit as a court of revision. Carried.

### COURT.

1st case—Miss M. D. Robertson complains of over assessment on 2 lots Nos. 26 and 27, block 15, river lot 12, assessed for \$40. Complainant claims value at \$30. H. C. Taylor appeared for Miss Robertson.

The mayor arrived and Cameron resigned the chair in his favor.

H. C. Taylor sworn re lots 26 and 27, block 15, river lot 12—I am not positive of the date the lots were sold to Miss Robertson, but as near as I can come about 6 weeks ago, I can swear that in the same block, river lot 12, the lots are offered for sale for \$30 by Hardisty's estate, and to the best of my knowledge they, Hardisty's estate, own 12 lots. I do not know the purpose for what the lots were bought and do not know under whose advice they were bought. I do not know if she has any intention of building on these lots. The lots bought by Miss Robertson were cash. The Hardisty estate sells its property upon time at option of agents. I have known payments to be made at \$15 cash and the balance on time. I swear that I was offered these lots at that figure.

Assessor sworn—All the lots are assessed equally in this vicinity. I thought at the time the assessment was made that the price assessed was of fair value. I consider that the value of property in the vicinity is the same now. The value in my opinion has not depreciated.

Strang and Goodridge moved that the assessment, as far as lots 26 and 27, block 15, river lot 12, are concerned, stands. Carried.

2nd case, Miss Phillips. Cause of appeal—Non ownership of lots 51 and 52 part of block A, river lot 6.

The assessor was instructed to alter the roll by crossing out lots 51 and 52, which were put in error.

Strang and Cameron moved that Miss Phillips' assessment be reduced by \$300, she having been over assessed. Carried.

3rd case, complainant Jas. McDonald. Cause of appeal—Taxed for income not possessed. Complainant did not appear.

Strang and Carey moved that assessment as against Jas. McDonald stands. Carried.

4th case, Donald Ross. Cause of appeal—Over assessment.

Assessor instructed to assess Burdock Lee with lot 103, block 1, H. B. reserve, \$25.

Daly and Carey moved that D. Ross' assessment be reduced \$2,125, as follows: \$25 off for lot 103, block 1, H. B. reserve, wrongfully assessed; \$1,600 off for over assessment of unsurveyed 64 acres; \$200 off for over assessment of hotel building. Carried.

5th case, Malcolm McLeod. Cause of appeal—Not stated, complainant did not appear.

Strang and Fraser moved that M. McLeod's assessment be reduced \$180 on 7 lots, being lots 18 to 24, block B, river lot 14. Carried.

6th case, complainant, D. G. McQueen. Cause of appeal—Assessed on stable owned by Presbyterian church.

Fraser and Strang moved that Rev. D. G. McQueen's assessment be reduced \$150, he being assessed for stable which is considered church property.

7th case, complainant, Magnus Anderson. Cause of appeal—over assessment on buildings.

Carey and Fraser moved that Magnus Anderson's assessment be reduced \$140 on account of his dwelling house being assessed too high. Carried.

Strang and Cameron moved that James Martin be assessed for dwelling and stable \$1,200. Carried.

**LEGISLATIVE ASSEMBLY.**

Regina, August 22.

MONDAY.

The bill providing for aid to hospitals throughout the Territories, at the rate of 60 cents per day for each free patient attended, was considered in committee of the whole. Tweed, who introduced the bill, said the expense of patients at the Medicine Hat hospital was \$1.14 per day per patient. Liberal aid was granted to hospitals in Ontario and Manitoba. In Ontario the grant reached 30c a day for all patients, amounting to \$22,000 in a year to 68 hospitals. The Manitoba government gave the Winnipeg general hospital a grant of \$7,000, and the total aid to hospitals given in Manitoba amounted to 5 per cent, of the total expenditure. He estimated the total cost to the Territories on the basis of 60c per day at \$2,500 or less than one per cent. of our total expenditure. The bill provided that if the amount annually voted by the assembly would not give 60c per head a proportionately less sum should be given.

Brett supported the bill, but thought the expenditure under it would reach \$3,000. This would be a little more than \$100 from each district, and he thought the money would be well spent.

A general discussion followed, chiefly as to the actual expense likely to result under the bill, which was finally agreed to and reported to the house.

The school bill was again considered in committee and a number of slight amendments discussed and passed.

REGINA, August 22.

MONDAY EVENING.

In consideration of the school bill was continued in committee of the whole until ten o'clock when the committee rose and reported progress.

Campbell presented a petition for the incorporation of the town of Whitewood.

Sutherland's bill compelling a top rail to be put on all barbed wire fences was thrown out at second reading.

Tweed's bill respecting public aid to hospitals and Oliver's bill providing for the ballot at elections were read a second time.

Cayley's bill to make the hours of closing of offices of clerks of the court and registrars of mortgages the same was passed.

The report of a special committee appointed to consider the question of a trail from Yorkton to Prince Albert was considered and agreed to. The report said: "The committee is of opinion that the assembly should do whatever it reasonably can to assist in laying out the trail in question, and that the necessary steps be taken to have such trail surveyed at an early date."

The school bill was again taken up and considered in committee.

Mowat proposed that the provisions regarding the erection of separate schools be amended, so that only ratepayers petitioning for a separate school should be assessable for the support of the school. Clinkskill and Tweed opposed, Haultain supported. The discussion was adjourned.

The estimates were laid on the table.

#### DIRECT TRAILS.

Mr. Editor.

In your issue of the 18th instant is a protest from "J. C." re the running of a direct trail between the railway terminus and Fort Saskatchewan.

It is a matter of regret to see that any one is blind to the true importance of direct trails, or properly speaking, colonization roads.

Every one who has to travel from Victoria, Egg lake, Beaver lake, or any other point east of the railway terminus, know that, at the present time, they have to travel from 3 to 7 miles with a load further than they should have, had we a colonization road. It is all very well for anyone, to whom time is no object, to make an obstruction to a project that is of the most vital importance to the country at large; but it does not do. If we want our country to develop, there must be no pull back spirit shown. For "J. C.'s" information we point out a few facts. The absence of direct trails is a detriment to any country, whether new or old.

It means serious loss of time to every farmer and traveller, wear and tear of horses, wagons and harness. It keeps people from travelling any more than they can possibly help. It keeps neighbors from having direct communication with one another, and the children from easy access to school. In fact there is nothing that hurts a district more, than to have roads running, no one knows how, or where, and such is the case at present, from the railway terminus to the whole of the country east of it.

Every farmer and resident along the proposed highway will be benefitted by it. Even if it does run through some of the farms, it enhances the value of them, instead of, as some people think, reducing and injuring the value. What is wanted throughout the whole of the Territories are main thoroughfares similar to those of Ontario. They increase the value of the land, develop the country, increase travel, save the wear and tear of horses, wagons and harness, save valuable time, and benefit every man, woman and child wherever such main roads are. Every farmer from Ontario will understand this, and the writer trusts will do their utmost to further the making of such roads here as elsewhere.

Our crops are grand, but if we are cursed with impassable roads to get them marketed, where does the profit go to? Certainly not into the farmers' pockets. Where it would go, if we had main thoroughfares kept in order by statute labor.

## COURT OF REVISION.

(Continued from 2nd page.)

9th case, F. J. Hammond. Cause of appeal—Assessed for lots not owned.

Strang and Cameron moved that F. J. Hammond's assessment be cancelled, the lots being owned and assessed to Kilgour Bros. Carried.

10th case, A. Macdonald. Cause of appeal—over assessment and omissions, etc.

Fraser and Goodridge that A. Macdonald's assessment be allowed as follows: Reduce \$20 for lot in block 27; \$140 for 2 lots in block 5; \$70 for lot 74, H. B. reserve. Not owned by him. Add according to written request: \$400 for lots 130, 131, block K, 6; \$240 for lots 17, 18, 19, block K. Carried.

11th case, complainant Wm. Bannerman. Cause of appeal—over assessment of buildings on lot B, river lot 10.

H. C. Taylor appeared for complainant.

K. A. McLeod sworn—I consider the cash value of the building, if put up at auction and to be removed, be \$200. I consider the amount of lumber used in the building, if the building were pulled down, would be worth nothing. I consider the cash value of the building if to stay on the land to be \$200. I have not examined the building. If lot and building were offered for sale together the total property would be increased in value to the amount of \$200 by reason of the building being on the ground. The value of actual lumber in the building, if new, would cost about \$400 and the work about \$275 or \$300. The building is 11 years old and several repairs have been made on it since.

Strang and Cameron moved that Wm. Bannerman's assessment be reduced \$200 on account of over assessment of building. Carried.

12th case, Luke Kelly. Cause of appeal—Non ownership lot 33, river lot 6.

Goodridge and Daly moved that Luke Kelly's assessment be reduced \$180 being assessed for lot 33, river lot 6, which is not owned by him. Carried.

13th case, H. B. Co. Cause of appeal—Non ownership and omissions.

Strang and Fraser moved that H. B. Co's assessment be altered as follows at their request: Add \$300 on lots 25, 86, 175, block 1; \$150 on lot 73, block 2; \$240 on lots 57, 71, block 4; \$100 on lot 85, block 5; \$140 on lots 25, 27, block 9; \$120 on lots 88, 89, block 10. Reduce \$250 for lots 88, 89, block 9, assessed to McVicar; \$250 for lots 90, 91, block 9, assessed to J. Cameron; \$20 for lot 1, block 10, assessed to W. T. Livock; \$825 for 11 acres over assessed trader department. Carried.

13th case, Mrs. Veary. Cause of appeal—Outside corporation limits.

Daly and Strang moved that Mrs. Veary's assessment be cancelled on account of property being outside corporation limits. Carried.

14th case, Church of England. Cause of appeal—Outside corporation limits.

Daly and Strang moved that Church of England assessment be cancelled on account of property being outside corporation limits. Carried.

15th case, Hardisty estate. Cause of appeal—Over assessment and assessment of property owned by other parties. Town solicitor stated that this appeal was received too late, but the court, out of courtesy agreed to hear the same.

Strang and Fraser moved that the assessment of lots 90 to 96, block 5, be transferred from Hardisty estate to Mrs. E. V. Hardisty. Carried.

Strang and Fraser moved that lots 11 and 12, block 2, river lot 12, be transferred from Hardisty estate to Donald McLeod. Carried.

H. C. Taylor gave evidence regarding 12 lots in block 15, river lot 12.

Strang and Daly moved that the value of 12 lots in block 15, river lot 12, as assessed stands. Carried.

H. C. Taylor gave evidence as to 15 lots in block 18, river lot 12.

Strang and Daly moved that the value of 15 lots in block 18, river lot 12, as assessed stands. Carried.

H. C. Taylor gave evidence as to 39 lots in block 23, river lot 12.

Daly was made a standing offer of these lots at \$15 a lot for 10 days.

Strang and Cameron moved that the value of 39 lots in block 23, river lot 12 as assessed stands. Carried.

16th case, David McDougall. Cause of appeal—Lots 47 and 48, river lot 8, are wrongfully assessed as they are the property of Mary Setter.

Strang and Cameron moved that the assessment of lots 47 and 48, river lot 8 be transferred from David McDougall to Mary Setter. Carried.

17th case, S. S. Taylor. Cause of appeal—Lot 38, river lot 6, assessed wrongfully, property of Baptist church; lot 17, river lot 6, assessed wrongfully, property of Massey Co.

Strang and Cameron moved that the assessment of lot 17, river lot 6, be transferred from S. S. Taylor to the Massey, Harris Co. Carried.

Strang and Cameron moved that the assessment of lot 38, river lot 6, be transferred from S. S. Taylor to Baptist church. Carried.

18th case, Methodist church. Cause of appeal—Over assessment lots 30, 33, 34, 35, 37; lot 11, property of F. Pagerie; lot 16, property of Raymer and Thomson; lots 19, 20, property of S. S. Taylor; lot 28, property of Baptist church; 58 acres is excessive, should be 36 acres.

Strang and Fraser moved that the Methodist church's assessment be reduced \$1,125, they being assessed for 58 acres of unsurveyed land said land containing only 35½ acres. Carried.

Strang and Cameron moved that the Methodist church assessment be reduced \$2,580 for lots 11, 16, 19, 29, 38, these being assessed and owned by other parties.

Strang and Cameron moved that the assessment of the Methodist church be reduced \$735 the value of blocks 33, 34 and 35 being excessive, there being only 19 in block 35, instead of 20, and that an addition of \$340 be made for block 36, which was omitted from roll. Carried.

19th case, Estate J. B. Mathers. Cause of appeal—Over assessment of lots 157 and 158, block 3.

Strang and Cameron moved that the value of lots 157 and 158, block 3 as assessed stands. Carried.

This ended the business of the court and the council resumed.

Strang and Daly moved that Superintendent Griesbach be written asking for continuance of the protection of Northwest mounted police. Carried.

Communication read from Jas. W. Taylor, United States consul, re international convention to be held at Grand Forks.

Communication from Bown & Prince, claiming compensation for D. W. Moore, of Calgary, for injuries and damages on account of accident.

Strang and Fraser moved that this meeting adjourn for one week.

#### GENERAL NEWS.

Manitoba butter is steadily gaining a reputation abroad. Recent sales have been made for the shipment of Manitoba tinned butter to the Gilbert and Marshall Islands, northeast of Australia, some 7,000 miles from Winnipeg.

The latest observer of Mars to report is Prof. Pickering, from Arequipa. He has seen seas appear and disappear, snowfalls and lakes, dark lines and light, mixed with blue, green, white and red areas, all changing rapidly. The astronomers seem to have struck a Marsian aurora borealis.

A lamentable case of drowning occurred at Godrich, on the 18th inst., James and Roy, the youngest sons of the Rev. J. E. Howell, were drowned in the lake. It appears that they were out boating north of the river mouth when the younger brother fell overboard. The other brother jumped in to save him, but both were drowned before assistance could be rendered. The body of the younger brother was recovered at 7 p.m.

Sam Moy, who is prominent in the Chinese colony in Chicago, surprised the government office by informing them that orders had been received from China not to obey the law requiring Chinese residents to take out certificates of residence. He said the government of China had sent one of its officials to this country to fight the law in the courts.

The clergymen of Calgary have sent to the mayor and town council a joint letter, calling attention to the fact nobody has been punished yet for the raid on the Chinese laundries, and asking that action be taken. It is signed by Rev. Messrs. Cooper, Herdman, Dean, Leduc and Wise. We understand that Father Lacombe, who was in town when the letter was drawn up, declined to sign it. A special meeting of the council will be called to deal with the letter; the signers will be asked to attend; and it is probable that they will be able to explain to the council the parties to be prosecuted and how to proceed.
